

9100-Series User,

IAQG would like all **9100-series users to be aware of *FREE AS/EN/JISQ 9100:2016-series Quality Management Systems (QMS) deployment support material available*** on the public IAQG website <<http://www.sae.org/iaqg/organization/requirements.htm>>. The AS/EN/JISQ 9100:2016 deployment support material <<http://www.sae.org/iaqg/organization/9100.htm>> includes:

* *Training Slides* on Executive Overview
<http://www.sae.org/iaqg/projects/9100-2016_executive_overview.pdf>,

Key Changes,
<<http://www.sae.org/iaqg/projects/9100-2016-key-changes.pdf>> and

Clause-by-Clause
<http://www.sae.org/iaqg/projects/clause_by_clause.pdf> presentations.

* *Correlation Matrix*
<http://www.sae.org/iaqg/projects/cross_ref.pdf> that relate the 2016 to the 2009 standard version and from the 2009 to the 2016 standard version.

* *Transition implementation* <http://www.sae.org/iaqg/projects/2016_aug_progress.pdf> strategies that include a step-by-step guide towards implementing AS/EN/JISQ 9100:2016-series standards.

* *Transition gap assessment matrix*
<<http://www.sae.org/iaqg/organization/9100.htm>> is an Excel spreadsheet that companies can use for implementing AS/EN/JISQ 9100:2016-series standards.

FREE webinars are being offered by the AS/EN/JISQ 9100:2016-series leadership team to help users understand the standard changes and intent. It is recommended that organizations participate first in the 9100-series key changes presentation and then the clause-by-clause changes for additional details. Please select the webinar link that fits best with your schedule and do not sign-up for multiple sessions of the same webinar. The content will be the same and we would like many organizations to have an opportunity to attend. After you register using the link below, you will receive an e-mail with instruction on how to participate.
